Why Cyprus?

Prime Location

International businessmen and investors establish their private and business residence by moving their family and business in Cyprus.

A modern member state of the European Union since 2004 that marries the European culture with ancient enchantment.

How can Europe Private Wealth help you

Europe Private Wealth offers well tried and tested solutions which enhance the life of its clients by organizing their finances, protecting their assets and providing customized solutions.

Services offered include auditing, corporate compliance, legal, tax and consulting.

As a multi-family office firm, Europe Private Wealth can also assist clients with offices, housing, schooling, and generally all matters necessary for establishing residence.

Tested Solutions for International Investors

Cyprus Citizenship Program

Non Cypriot Investors can acquire the Cyprus Citizenship by Naturalization. Effectively, with Cyprus being a full member of the European Union, obtaining a Cyprus Citizenship provides the full benefits of having an EU-passport.

Permanent Residency

A Permanent Residence gives a Non-EU national the right to permanently reside in Cyprus, without any limitations, with his family

International Companies

International Investors from countries Non-EU members may establish an International Company in Cyprus through which Directors and their families can obtain work permits & visas.
